A magistrate judge has recommended that I accept the defendant's plea of guilty and dismiss Counts II and III of the indictment without prejudice. There has been no objection filed.

IT IS ORDERED that:

1. I find after de novo review that the plea of guilty is knowing, intelligent, voluntary, and that there is a factual basis for the plea. The defendant is found guilty.
2. Counts II and III of the indictment are dismissed without prejudice.

Dated June 14, 2011.
